Pick up times

Please note that tours going to mainland Europe, the Channel Islands, the Isle of Man and Ireland are likely to have very early morning pickup times or even late the previous evening due to sailing times.

For continental tours, please refer to the map below that shows the approximate pickup times between your area and Dover. Please be aware that these times are approximate and will vary depending on traffic and number of pickups.

The ferry crossing times will be as follows on continental tours:

6-day tours: 11am-12pm

10-day tours: 11am-12pm

8-day tours: 11am-12pm

Express travel tours: 9-11pm

We aim to reach the ferry port 2 hours prior to departure time.

These are estimated pickup times.

We will confirm travel times with your Final Confirmation.

Please note: These pickup times do not apply to our Express travel tours.
